THE

Coming Soon

For the past five years, The Village team has been working non-stop to create what we believe to be one of Asia's top resorts and residences. As the development nears completion, we are proud to inform our valued guests of what they can expect on their return trip to The Village Coconut Island.

Tropical Challenge Crazy Golf

At the start of 2012, The Village Coconut Island will be proudly unveiling our brand new 'Tropical Challenge' crazy golf course!

The course will feature 18 different challenges nestled into lush, tropical landscaping.

With freshwater rivers, underground routes, rotating palm trees and much more, the course aims to be one of the most enjoyable experiences for all ages on Phuket.

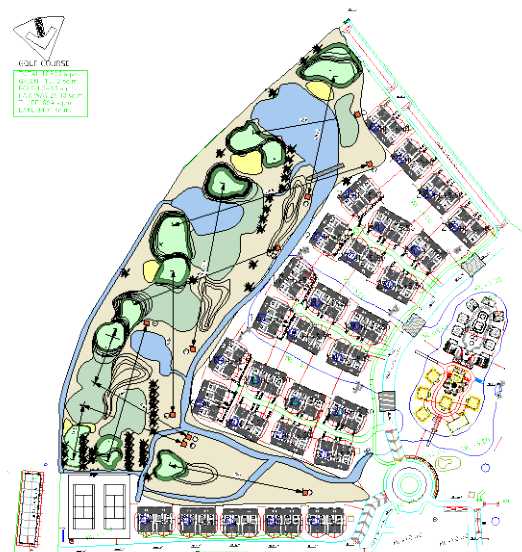

The Three Lakes Golf

All guests at The Village will be able to enjoy a game of Village-style golf!

Whether you are a serious golfer who wishes to perfect your short game or a beginner who wants to have your first experience on a course, the Three Lakes will be a great way to round up your stay.

Unlike many courses in Thailand, we wish to offer this experience at an affordable price for all the family to be able to swing into action. This picturesque course will feature ten unique holes surrounded by lakes, bunkers and many more challenges.
